TULE RIVER INDIAN TRIBE OF CALIFORNIA

340 N. Réservation Rd. Porterville, CA 93257

JOB DESCRIPTION

POSITION TITLE: Wastewater Treatment Facility Operator – Level II

WORKSITE: Tule River Tribe
340 N Reservation Rd
Porterville, CA 93257

GENERAL POSITION DESCRIPTION

Under supervision, performs a variety of skilled tasks as related to Wastewater treatment. Performs a variety of equipment maintenance duties and participates in the operation of wastewater treatment facility. This is a mid-Level entry into the Wastewater Treatment Operator series and allows incumbent to learn and apply the knowledge of facility operation required for promotion.

DUTIES AND RESPONSIBILITIES:

1. Checks engines, electrical motors, pumps, and valves for proper operation.
2. Services equipment and engines, performs major repairs and overhauls pumps, blowers, digesters, and air compressors.
3. Makes process adjustments based on flow conditions or biological conditions.
4. Sets and controls pumping rates for sludge.
5. Makes visual inspection of facility for purposes of process control.
6. Performs lab tests for process control. Collects digest and sludge samples for testing by laboratory personnel.
7. Cleans and paints plant equipment.
8. Maintains records relevant to daily facility operation and maintenance program. Schedules maintenance activity using maintenance database.
9. Conduct periodic field inspections of division activity to ensure quality control.
10. Use of computer to record, update, and retrieve information.
11. Keeps detailed records and prepares reports as required.
12. Required to train with the City of Porterville Public Works Department in order to gain the skills and qualifications necessary to move into the next series level, as well as the ability to work with the on-site Wastewater Treatment Facility Operator assigned to the Tule River Indian Reservation Wastewater Treatment Facility.
13. Perform related duties as assigned.

TRTC APPROVED:

QUALIFICATIONS:

1. Must be 18 years of age or older.
2. Possession of and ability to maintain a valid California Drivers' License class "C" or higher, and be insurable through the Tribal Administration.
3. High School diploma or equivalent GED.
4. Possession Wastewater Treatment Facility Operator Certificate II (Treatment or Collections) issued by the Intertribal Council of Arizona (ITCA)/State Water Resources Control Board (SWRCB)
5. Must have excellent communication skills.
6. Must have excellent planning and organizing skills.
7. Must have the ability to work with others, or with little to no supervision.
8. Must successfully complete a pre-employment drug screen and background investigation.
9. Up to 4 year (dependent on incumbent's dedication and ability to pass certifications, could be up to 3 years) commitment and dedication to complete Wastewater Treatment Facility Operator series up to Grade 3 or higher.

KNOWLEDGE, SKILLS AND ABILITIES:

1. Basic computer skills to include Microsoft Word, Outlook and Excel.
2. Use of adding machines, calculators, and other specialty equipment.
3. Basic math skills; ability to add, subtract, multiply, and divide; including but not limited to fractions, decimals, percentages, square feet, cubes, and yardage.
4. Operation and maintenance of electrical pumps, motors, and valves.
5. Basic tools and equipment used in facility, equipment, and grounds maintenance.
6. Ability to learn and apply the requisite knowledge of the trainee/journey level.
7. Ability to establish cooperative working relationships.
8. Ability to read scales, meters, and gauges.
9. The ability to communicate with various social and ethnic backgrounds as well as with local, city, county, state, and federal professionals with patience, tact, courtesy and self-restraint.
10. Ability to start the certification process for CPR and Confined Space Entry Certification.
11. Ability to follow written and verbal instructions.
12. Ability to work safely and efficiently.
13. Excellent initiative skills.

PHYSICAL DEMANDS

Position requires prolonged sitting, standing, walking, crawling, reaching, grasping, repetitive hand movement, twisting, turning, kneeling, bending, squatting, and stooping in the performance of daily activities. The employee is occasionally required to climb and/or balance. Additionally the position requires near and far vision in proofreading correspondence and work related documents. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception,

TRTC APPROVED:

and ability to adjust and focus. Acute hearing is required. This position may require the use of a self-contained breathing apparatus. Frequently must be able to lift up to 50 pounds, and normally must be able to lift over 50 pounds. This job also may require the use of a vehicle, and an employee must be able to have those repetitive motions and coordination associated with operating a motor vehicle.

This position reports to: Wastewater Treatment Facility Operator III or higher.
